In the changing insurance environment, costs have become even higher for patients and providers. Regardless of your insurance coverage, your policy is a contract between *you and your insurance carrier*. We strongly suggest you contact your insurance prior to your treatment to verify physical therapy coverage. **You are ultimately responsible for payments according to your plan.** We have contracts with insurance carriers and have agreed to accept a contracted rate for our services. In addition, we have contractually agreed to bill patients any applicable copays, co-insurance and/or deductible amounts as deemed by the plan. We cannot "discount" these amounts further, so please don't ask. If your insurance coverage is too costly for you to use, we do offer a Cash Pay option.

Patient Payment Options *(Please INITIAL next to the payment option you're choosing)*	
_____ (Initial)	**Private / Cash Pay – *NOT using insurance; I am paying cash, check or credit card at the time of service.*** This option is for 1. Patients without insurance. 2. Patients with insurance that doesn't cover physical therapy. 3. Patients who choose to forego insurance benefits. IF YOU CHOOSE CASH PAY, we will not bill your insurance for services rendered, which includes retro billing. **Payment is due at the time of service.** If payment is not paid at the time of service, you will be billed a **$15.00** administration fee in addition to the treatment charge. Initial Injury Evaluation: $100.00. Subsequent treatments for the same diagnosis: $80.00. These rates are *only* available at the time of service and are not a "reduction option" for claims that have already been billed to a health insurance.
_____ (Initial)	**Health Insurance:** _____ (your insurance carrier) 2nd: _____ We will file your physical therapy claims with your insurance as a courtesy to you. If we are contracted providers with your insurance, we will accept the rate we have agreed to per our insurance contract. We will verify your benefits to the best of our ability with the information given to us. There are no guarantees of benefits. Your insurance processes your claims according to your plan. We require you to assign all insurance payments to our office to avoid misunderstandings. **We assume no liability for any errors made by your insurance carrier(s) in their quotation of benefits to our office. It is ultimately your responsibility to clarify any discrepancies in eligibility, benefits and/or authorization with your insurance carrier, per your contract with them and inform our office.** Any changes or discrepancies must be reported to our office as soon as possible. You are responsible to return inquiries from your insurance company in a timely manner. If claims are denied for any lack of coverage, lack of information, benefit limitation, or are non-covered service(s), you will be responsible for the full balance on your account. We require payment at the time of service for copays, no exceptions. For your convenience, you can leave a credit card on file to avoid a **$5.00** administrative billing fee for copays not paid at the time of service. To avoid lump sum bills during the billing cycle, we encourage you to pay a portion of your deductible and/or co-insurance at the time of service, which will be applied to the balance of your account. You are responsible for any amounts due per your insurance plan. Should there be a refund, we will refund you during our regular patient billing cycle. **We will NOT retro-retract insurance claims for patients who later decide to utilize our Cash Pay rate.**
_____ (Initial)	**Medicare** You must have progress report every 30 days, or 10 visits (whichever is shorter) while attending physical therapy. Your physician also needs to re-certify you for therapy every 90 days or by the end of your initial prescription. You are responsible for the $183 Medicare deductible for 2018 and any applicable copayments or coinsurance after your secondary insurance company pays; or if you don't have a secondary insurance, the full 20% not covered by Medicare. ***We are not contracted with Medi-Cal, therefore if you have Medi-Cal as your secondary, you are responsible for the 20% of Medicare allowed charges at the time of service.***
_____ (Initial)	**Worker's Compensation** Benefits are limited to a number of visits per year, which we have no control over. As a courtesy, we will call your adjuster to get authorization for treatments. Occasionally, additional information is required from you or treating physician and we may ask you to call your adjuster, attorney (if applicable), or physician to assist in requesting this information to avoid delaying physical therapy treatment and progress. *You are aware that not attending scheduled sessions may be jeopardizing progress and may also adversely affect your disability status (if applicable).*
_____ (Initial)	**Auto MedPay** This option is for patients with MedPay benefits on the **patient's own auto insurance policy. We do not accept third-party auto insurance.** We must have private health insurance information on file that will be billed for treatment in the event MedPay is exhausted. The patient is responsible for any copay, co-insurance, and/or deductible dictated by insurance. The account balance will not be carried on lien terms and must be settled.
_____ (Initial)	**Attorney Lien** Attorney liens will be accepted on a case-by-case basis. A completed lien form must be on file with all applicable signatures and information at the start of treatment. Attorney and patient must fully comply with our lien terms in order for us to accept a lien. Liens will NOT be accepted in conjunction with another Patient Payment Option.

_____ (Initial)	After an insurance company and/or other payer(s) have paid their portion or finalized your claim(s), should your patient balance be unpaid after 90 days (unless other written financial arrangements have been made), the account can be turned over to an outside collection agency. A collection fee of 30% of the balance will be added to the account and then turned over to collections. You are responsible for any costs associated with collection of your balance, including any legal or court fees.
_____ (Initial)	Should my insurance company send payments to me, I will forward the payment to RRPT within 48 hours. Appointment Policies	
We pride ourselves on quality, one-on-one treatment for our patients. Cancelled or missed appointments are one the biggest obstacles in returning you to your prior level of function, and without sufficient notice of an anticipated cancellation, we are unable to fill your time slot for another deserving patient.	
_____ (Initial)	I understand that physical therapy is an ongoing process that requires regular attendance and home compliance to be optimally effective. Consequently, I am aware that not attending scheduled sessions may jeopardize my progress and also may adversely affect my disability status (if applicable).
_____ (Initial)	We require 24-hour notice for cancellations, and reserve the right to charge a fee of **$40.00** when a patient has violated this policy, which is due at the time of the next appointment.
_____ (Initial)	Please be on time for your appointments so that you may be given the full benefit of your scheduled treatment. Late arrival of greater time than 15 minutes may result in a shortened treatment or cancellation at the therapist's discretion, in which case, a fee of **$25.00** will be applied to your account and due immediately.
_____ (Initial)	It is your responsibility to show up on time for your appointment we have reserved for you. Failure to show up for an appointment will result in a **$60.00 no-show fee** that you will be responsible for. This fee is not covered or billable to any insurance or other payer.
_____ (Initial)	Failure to keep 2 consecutive appointments, no shows and accounts no longer maintained in good faith status, may result in termination of the provider-patient relationship with Rebound Rehab Physical Therapy.

I have read, understand and agree to abide by the policies and provision set forth by Rebound Rehab Physical Therapy on this Financial and Appointment Policies form.
